

## PUBLIC NOTICE

### UNAUTHORISED MEMORIAL REMOVAL

In accordance with Local Government Act 1972 and Local Authorities Cemeteries Order 1977

Further to an inspection of Desford Road Cemetery, several unauthorised memorials including surrounds, kerb sets, chippings, vases, plantings and ornaments have been identified.

Kirby Muxloe Parish Council has written to Deed holders where such memorials appear. Additionally, notices have been placed on these graves.

These Deed holders will be given until 30<sup>th</sup> September 2017 to remove such items. After this date, Kirby Muxloe Parish Council will remove them to a place of safety until 31<sup>st</sup> October 2017, during which time they may be claimed.

The above actions are in the interest of maintaining our Cemetery as a safe tranquil and dignified environment for all of the community to pay respects to their loved ones.

It is not our intention to cause any upset but we accept that some Deed Holders may find our actions difficult to accept, but would respectfully request that they think of other friends and family of the bereaved visiting the Cemetery.
